

CURRICULUM VITAE

Douglas Kevin Scheid, M.D.

OFFICE ADDRESS

Orthopaedics Indianapolis
8450 Northwest Blvd.
Indianapolis, Indiana 46278
(317) 802-2000

EDUCATION

Wabash College, Crawfordsville, Indiana
B.A., Mathematics, Magna Cum Laude
1975 - 1979

Indiana University School of Medicine,
Indianapolis, Indiana
Doctorate in Medicine
1979 – 1984

PROFESSIONAL TRAINING

General Surgery Internship
St. Louis University Medical Center
St. Louis, Missouri
1984 - 1985

Orthopaedic Surgery Residency
St. Louis University Medical Center
St. Louis, Missouri
1985 - 1989

Orthopaedic Trauma and Joint Reconstruction
Fellowship
Dr. J. Schatzker and Dr. J.F. Kellam
Sunnybrook Health Science Center,
University of Toronto
Toronto, Ontario, Canada, 1989

EMPLOYMENT HISTORY

Orthopaedics Indianapolis, Inc.
8450 Northwest Blvd.
Indianapolis, Indiana 46278
Effective: 7/1/89 - Present

CERTIFICATION

American Board of Orthopaedic Surgery
July 1992
Re-certification – July 2001

MEDICAL LICENSURE

Indiana Registration - 01038396 Issued June 1990

Missouri Registration - R2F35 Issued August 1985

HOSPITAL AFFILIATIONS

St. Louis University Hospital,
St. Louis, Missouri
Cardinal Glennon Children's Hospital,
St. Louis, Missouri
St. Mary's Health Center, St. Louis, Missouri
Sunnybrook Health Science Center,
Toronto, Ontario
Methodist Hospital of Indiana, Inc.,
Indianapolis, Indiana
Indiana University Medical Center,
Indianapolis, Indiana - Clinical Instructor

MEDICAL CONSULTANT

Indy Racing League
1996 – Present

SCHOLARSHIPS/HONORS

Recipient First Annual Lilly Scholarship:
\$20, 000
Wabash College, Crawfordsville, Indiana, 1975
Four Year NCAA All American Swimmer, 1975-
1979
Magna Cum Laude, Wabash College, 1979

PROFESSIONAL SOCIETIES

Orthopaedic Trauma Association
American Medical Association
Indiana Medical Society
Marion County Medical Society
Candidate Member, American Academy of Orthop.
Surgeons
American College of Surgeons
American Fracture Association
Indiana Orthopaedic Society

COURSE INSTRUCTOR

AO/ASIF Advanced Course, University of Toronto, Toronto, Canada, March 1990

4th Annual Toronto Pelvic and Acetabular Fracture Management, Toronto, Canada, April 1990

AO Course, Indiana University, Indianapolis, IN, 1993

Course Instructor, LSU Trauma Management Course, Santa Fe, NM, 1993

Course Instructor, Orthopaedic Complications in Trauma, May 1994

AO/ASIF Continuing Education Course, New Orleans, LA, August 9-13, 1995

Course Instructor, LSU Trauma Management Course, New Orleans, LA, 1994

Course Instructor, Chicago Trauma, Updated Course, 1995

Management of Intraarticular Fractures of the Proximal and Distal Tibia, AAOS, Instructional Course, 1996

AO/ASIF Continuing Education Course for Orthopaedic Residents, Madison, WI, August 1997

Course Instructor, Chicago Residents Program, August 1997

Indiana Orthopaedic Society Meeting, Course Instructor, April 1997

Spine Symposium, Course Instructor, May 1997

LSU Trauma Management Course, November 1997

Visiting Lecturer, Loyola University, Callahan Trauma Lecture, November 1997

Options for Non-Reconstructible Tibial Plateau and Pilon Fractures, AAOS, Instructional Course, 1997

Management of Intraarticular Fractures of the Proximal and Distal Tibia, AAOS, Instructional Course, 1998

Small Fragment Blade Plate Fixation of Proximal Humerus Fractures and Non-Unions, AAOS, Instructional Course, 1998

Options for Non-Reconstructible Tibial Plateau and Pilon Fractures, AAOS, Instructional Course, 1998

Proximal Humerus Fracture, An Unsolved Fracture-Blade Plate Fixation, AAOS, Symposium Moderator, February 1999

Periarticular Fractures of the Tibia, AAOS, Symposium Moderator, 1999

25th Annual Orthopaedic Day, Guest Lecturer, Greenville, SC, May 7, 1999
“Iliosacral Screws, Safe Zones and the Vestibule” and “Approach to Proximal Humerus Fractures.”

Options for Non-Reconstructible Tibial Plateau Fractures and Pilon Fractures, AAOS, Instructional Course, February 1999

Assessment and Emergency Management of Pelvic Ring Fractures, AO/ASIF Course, Sun Valley, ID, March 1999

Tibial Plafond Fractures: Should I fix the Fibula?, AO/ASIF Course, Sun Valley, ID, March 1999

Tibial Plafond Fractures, Chicago Trauma Symposium, June 1999

Shoulder/ Hip Fracture Session, AAOS, Moderator, February 2000

What's New in Common Fractures? Proximal Humerus Fractures, AAOS Symposium, February 2000

Knee Dislocation – A Trauma Perspective, AAOS, Instructional Course, February 2000

Knee Dislocation – A Trauma Perspective, AAOS, Instructional Course, February 2001

The Blade plate: Original Concepts, New Applications, Indiana Orthopaedic Society, April 2001

Proximal Humerus Fractures and Dislocations, OTA Core Curriculum Manual, June 2001

Knee Dislocation – A Trauma Perspective, AAOS, Instructional Course, February 2002

PRESENTATIONS

Scheid, D.K.; Akbarnia, B.A.; Merenda, J.T.; E.R. Radiographic evaluation of idiopathic scoliosis correction using C.D. instrumentation. Paper presented at American Orthopaedic Resident's Conference; 1998; Boston, MA.

Scheid, D.K.; Akbarnia, B.A. Evaluation of idiopathic scoliosis treated with C.D. instrumentation using plain radiographs and computed tomography. Paper presented at American Academy of Pediatrics Meeting; 1998 October 14; San Francisco, CA.

Paper **Scheid, D.K.**; Akbarnia, B.A. Evaluation of idiopathic scoliosis treated with C.D. instrumentation using plain radiographs and computed tomography. Presented and received Resident Paper Award at Missouri Orthopaedic Association meeting; 1989 September 29; Kansas City, MO.
